March Update

Thank you for your prayers brothers. We are here with encouragement even with plans for this year's work for the Lord in the prisons and here in the town. We are beginning to support orphanages and there is a rehabilitation centre also that we can bring the good Gospel. We thank God for you and the support they have had for us. We bless the Lord for His love and ask that it continue filling the storehouse with his blessings. And thank you for everything and your financial support.

We are here enjoying the moment in which we are trying to serve the Lord. Thank you for your support to us and all your prayers. Please ask the Lord to help us accomplish our task and that God will continue supplementing the finances for the all the glory and all the honor.

God bless you,  
Pastor Juan Carlos Aguilar
